The Six Stages: What You Walk Away With

1. Traffic
Cold email, calendar invites, LinkedIn outreach, paid ads and content, every channel tracked to revenue

2. Landing and registration
Branded pages and forms that turn clicks into registrations

3. Multi-channel nurture
Email, WhatsApp and AI voice reminders that get people to show up

4. Conversion mechanism
A live event, a video sales funnel or a multi-day workshop, whichever fits your offer

5. Revenue pipeline
An 11-stage pipeline with discovery, demo and closing scripts, checkout and onboarding

6. 52-week growth
A full year of follow-up that keeps turning your list into repeat revenue

Who Does What

AREA	TANTRA	YOUR TEAM
Strategy	Design the funnel and choose the mechanism with you	Decide the offer, the price and the buyer
Build	Build pages, sequences, pipeline and the AI agent set-up with you	Give access to domains, calendars, CRM and brand assets; approve copy on time
Traffic	Set up the channels and the lists	Approve the messaging; fund any ad spend
Conversion	Script and structure the event, video or workshop	Present it: your face, your voice, your offer
Sales	Discovery, demo and closing scripts; call reviews	Take the calls and close
Numbers	Weekly review and the change log	Share your numbers each week

$9,999 Right for you if you want it built with you and have $10,000 or more to invest in the next 12 months. Payment terms and start date are set in your written proposal, sent within one business day of the evaluation call. You go through it with us on a 30-minute Proposal Review, where we decide together.
